

AGRICULTURE AND ENVIRONMENT COMPETITIONS FOR 2024

Tea Towel Competition

One Pumpkin tea towel which is not to be cut but left whole. At the end of the competition you should be able to unpick your work, if you wish, and have your original tea towel intact.

We are asking for an apron, using the tea towel. You are not to cut the tea towel at all but add to its beauty by using your imagination. You may add any amount of extra fabric, trimmings or embellishments from your stash of suitable items. The only thing we stress is that it is practical and can be used for the purpose for which any apron is made.

Recycled Competition

As many op shops and family homes seem to have a surplus of denim, this competition for 2024 is to make a knee rug or floor mat. The size is to be no larger than 2.5M X 1.5M. The top must be predominantly denim with the backing of your choosing. The method of making is your choice.

Use your imagination to create a lovely apron and/or mat or rug and we look forward to seeing the results.

Jean Rosendahl, Chairman of the Agriculture and Environment Committee.
