 - *Pack all items in an empty A4 Photocopy Paper box-fill completely!*
 - *Schedule a day for your Branch Members and Friends to bring all the collected items needed to assemble the Kits for Kids.*
 - *Avoid novelty sharpeners, rubbers, scissors, pens, pencils-choose useful practical items only*
 - *Remove all packaging and pack the supplies into drawstring bags.*
 - *Seal box and attach a Donation Advice Form – Available on QCWA Website*
- If delivery cost of Kits to State Office is prohibitive, your Branch may like to make a monetary donation to the Dame Alice Berry Fund to purchase items to assemble Kits, or to support Rotary International with their delivery costs.*
